Job Description

Join our enthusiastic, experienced team for a rewarding career! We are looking for a full-time and/or part-time BCBA. We are searching for a BCBA who promotes independence, functional communication and family training.

Our team is lead by our Clinical Director, Kris Beaudreault, BCBA who has over 20 years of experience in behavior analysis. We use a comprehensive data collection system making data analysis easier and children moving on from mastered targets faster.

We offer flexible hours in clinic that can work around your desired schedule. We understand that everyone has interests and responsibilities outside of work and we strive to facilitate an environment to accommodate that. All employees (both full time and part time) qualify for the company's benefits.

Our clinics are conveniently located approximately 30 minutes from Downtown Houston in a beautiful suburban area.

Responsibilities Include

- Program Design
- Initial Intake Assessment
- Data Collection Management and Design
- Progress Monitoring
- Staff Technical Training
- RBT Supervision
- Parent Training
