

Are you ready to join one of the strongest, fastest-growing rehabilitation service teams in the country? Formerly Heartland Rehabilitation Services for over 50 years, H2 Health is a new company poised to establish itself as one of the most trusted and reliable outpatient rehabilitation service providers in America.

H2 Health is looking for a Board Certified Behavior Analyst (BCBA) to help us start a behavior department in our well-established clinics in Texas.

We currently have opportunities in the following clinics:

- Longview Therapy Center is located in Longview, TX
- Pro Step Lubbock is located in Lubbock, TX

Facility Hours: Monday thru Friday from 8 AM to 6 PM.

The candidate will be working with our highly trained interdisciplinary team to enhance life quality and provide the most effective course of intervention for every child. BCBA's is responsible to complete supervision and program oversight to our skilled RBTs, in addition to providing some individual and small group instruction to children aged 2-18. Services are provided in clinical and community settings, such as public and private schools.

Job Responsibilities include but are not limited to:

- Provide quality supervision and program oversight to RBT's and BCaBA's on assigned cases
- Collaborate with families to assist them in determining short and long term goals
- Provide instruction for children with varying disabilities
- Use curriculum and methodologies/strategies to teach a variety of skill acquisition types such as play, communication, self-help, replacement, and academic behaviors
- Collect and input data daily
- Write and implement individualized behavior plans to include the use of PCM procedures
- Collaborate and work with other disciplines and community providers (such as school teachers)
- Work independently and demonstrate initiative

Qualifications:

- Must be fun, upbeat, energetic, and creative
- Must be able to sit on the floor on the ground and move easily in this capacity
- Must be able to lift small children
- Must be able to teach and assist with toileting skills
- Education: Must have a minimum of a Master's Degree in Psychology or a related field and currently certified as a Board Certified Behavior Analyst.

Experience:

Prior experience as a Board Certified Behavior Analyst; however, newly licensed BCBA will be considered.

Benefits:

Our comprehensive benefits package includes: medical, dental, vision, generous PTO, 401k, and additional incentive compensation program.

H2 Health is always accepting applications from highly motivated health professionals looking to make a difference in their communities by providing premier health and rehabilitation services. Full-time, part-time, or PRN candidates and referrals of your colleagues are always welcome!

Job Type: Full-time

Compensation: Commensurate on experience and a sign-on bonus

Equal Opportunity Employer/Drug-Free Workplace:

H2 Health is committed to creating a diverse and inclusive workplace, and we are proud to be an equal opportunity and affirmative action employer. All employment is decided on the basis of qualifications, merit, and business need. Background checks, references, and drug screenings are required for employment.
