Ahoy, Matey!

We are looking for certified Special Education Teachers, Behavior Therapists (BT), ABA Therapists and Registered Behavior Technicians (RBT) who are looking for both full and part-time employment.

Success On the Spectrum is a national ABA therapy franchise that teaches valuable life skills to children with Autism. Our model combines the most effective methods of Applied Behavior Analysis science with play-based learning. We use mostly NET and promote generalization with frequent field trips. Our goal is to help them grow into productive and fulfilled adults, ultimately increasing the overall quality of life.

You must have a passion for helping kids learn and have fun! If this describes you and you are looking for an ABA company that makes you love coming to work each day, please apply!
SOS gives hands-on training to our Behavior Technicians. SOS will also pay for your 40-hour certification course to become a Registered Behavior Technician.

If you want to advance your career in ABA further, there are opportunities for you to become a Behavior Analyst intern! You can take advantage of the national partnerships that Success on The Spectrum has formed with many universities. SOS is an approved practicum site for Purdue, Florida Institute of Technology, and Nova Southeastern University. SOS also offers employees discounted tuition for graduate programs at Purdue University.

Success On the Spectrum is a national franchise and we are growing quickly, there is a lot of opportunities for you to move up to managerial positions at newly opening locations. Being part of a franchise also gives you the option of transferring to a different location if you need to move away.
