

Interested in Applying Behavior Analysis to a Public Cchool Setting?

We are looking for certified Special Education Teachers, BCBA's, BCABA's, and RBT's.

Thrive with Autism/Thrive Center for Success plans an innovative, groundbreaking public school to dramatically improve education for children on the autism spectrum. Founded in 2019, Thrive recently earned the support of SBOE and TEA to open the first charter school in the state of Texas dedicated to serving a special-needs population. Thrive's mission and vision have brought hope to families who desperately want better educational options for their children on the autism spectrum. Thrive plans to open its founding campus in The Woodlands area north of Houston in Fall 2022 serving 108 students Kindergarten through 5th grade, adding a grade level each year to eventually serve up to 12th grade. Thrive plans to open a second campus in central Houston in Fall 2025.

Thrive will incorporate Applied Behavior Analysis into a school setting, giving students the tools they need to thrive. Our school will be the first school in Texas using the Comprehensive Application of Behavior Analysis to Schooling (CABAS) model started decades ago at Columbia University Teacher College and replicated in schools and clinics in the U.S. and overseas. Learn more at www.cabasschools.org.

This tuition-free charter school will be a game changer for so many families and could be one for your career as well. All faculty will get training and professional development lead by CABAS certified BCBA-Ds. Benefits are included and employees can enroll in the Texas Retirement System (TRS).

Apply at www.thrivesuccess.org.

See you at TXABA !!
